Position Description

Assistant Professor of MIS

The University of Oklahoma (OU) seeks to fill a tenure-track position at the Assistant Professor level in MIS, starting in the Fall of 2015. Our strong MIS program builds on a solid history of excellence and distinguished senior faculty members. It offers an undergraduate major in MIS (which has frequently been ranked among the top programs in the country), an undergraduate minor in MIS, an MS in MIS, an MBA/MS in MIS, a Graduate Certificate in MIS, accelerated BBA/MS in MIS programs, and a PhD in MIS. It also operates a Center for MIS Studies, which has close ties to the business community, has an active MIS Student Association, provides sizable scholarships annually, and enjoys strong support from the university and college administrations. Faculty members are world-renowned, engaged in thriving research programs, generate substantial external research funding, play leadership roles in top journals and conferences, and are outstanding teachers. Significant opportunities exist for professional growth and recognition as a member of OU’s Michael F. Price College of Business--named after one of its distinguished alumni in 1997--whose various programs are internationally renowned.

Must have an earned PhD in MIS or related disciplines, or ABD with dissertation defended by August 31, 2015. Desirable qualifications include evidence of excellent research and teaching. An interest in, experience with or research publications in healthcare or energy management will be a plus. Preference will be given to assistant professors with a productive research record. Salary is open and competitive and will depend upon qualifications. Screening will begin immediately. Applications will be accepted until the position is filled. Women and minorities are encouraged to apply.

The University of Oklahoma is classified as a Very High Research University by the Carnegie Foundation and generated over $174 million in research funding in 2013. It also ranks first in the nation among public universities in National Merit Scholars enrolled. In the past 12 years, OU has more than quadrupled the number of endowed faculty chairs and professorships. Norman, where OU is located, has been ranked among the best places to live in numerous surveys. It has a vibrant art and cultural community, is very affordable, and is located close to major cities. The campus is beautifully landscaped, is one of the most wired in the nation, and boasts of many top-ranked academic and athletic programs.

Electronically submit your application materials (CV, copies of papers, teaching evaluations, and names of references) in PDF format to: misrecruiting@ou.edu
