Position Announcement

Auburn University

Faculty Position in Business Analytics

**Position:** The Raymond J. Harbert College of Business at Auburn University in Auburn, Alabama anticipates an opening for a qualified Associate or Full Professor in Business Analytics. This position is intended to provide support for the Harbert College’s growing programs in Business Analytics by contributing to the growing research and teaching requirements of these programs.

**Qualifications:** Candidates must have an earned doctorate in Information Systems, Decision Sciences/Management Science, Business Analytics, Industrial Engineering, or a closely related field. Additional qualifications include:

- Evidence of a strong research record.
- Research and teaching interests related to areas such as data management (including database systems, NoSQL database systems, Big Data, Hadoop, etc.) and business analytics (including exploratory and inferential statistics, data modeling, data and text mining, data visualization, predictive modeling, and prescriptive analysis).
- Evidence of excellence in teaching and the ability to teach a variety of courses in the Business Analytics programs at the undergraduate, Masters, and doctoral level.
- Must be legally authorized to work in the United States at the time of appointment and continue working legally for the term of employment.
- Must have excellent organizational and communication skills.

**Responsibilities:** Successful applicants will be expected to engage in high-quality research, evidenced by publications in leading academic journals, teach courses in the Business Analytics programs, and contribute to developing the future path for the department’s growing programs.

**Application Process:** Review of application material will begin August 18, 2014 and continue until a qualified candidate is selected and recommended for appointment. To be actively considered for this position, interested candidates must submit a brief cover letter outlining their interest in this position and a curriculum vita (including at least three references who will be contacted at a later date) to: [https://aufacultypositions.peopleadmin.com/postings/616](https://aufacultypositions.peopleadmin.com/postings/616)

**Questions:** Contact the search committee chair, Dr. R. Kelly Rainer (rainerk@auburn.edu) with further questions about the position and search process.
