Michigan State University Logistics Position

Michigan State University’s Eli Broad College of Business, Department of Supply Chain Management, has an opening for a tenure system assistant/associate professor in logistics for the 2015-2016 academic year. Duties include research, teaching, and service. Salary and terms are negotiable depending on experience and rank.

The position requires a Ph.D. or equivalent degree from an accredited university. Candidates must have a demonstrated record of research excellence in logistics and supply chain management. Specific areas of expertise that MSU is interested in include logistics, transportation, supply chain analytics, and logistics strategy. Candidates must have the ability to teach at the undergraduate and MBA levels.

Review of applications will begin September 22, 2014 and continue until the position is filled. Applications must be submitted online at: https://jobs.msu.edu. Refer to posting #0008.

For additional information, please contact Dr. Patricia Daugherty (daugherty@broad.msu.edu). MSU is an affirmative-action, equal-opportunity employer committed to achieving excellence through cultural diversity. The university actively encourages applications/nominations of women, persons of color, veterans, and persons with disabilities.
