Management Information Systems & Decision Sciences: Assistant Professor (Associate Considered)

Founded in 2005, Georgia Gwinnett College (GGC) is the 31st member of the University System of Georgia. GGC is a premier 21st century liberal arts institution accredited by the Southern Association of Colleges and Schools Commission on Colleges. With a current enrollment of almost 11,000 students, enrollment is projected to exceed 13,000 students within three years, including both residential and commuter students. Located in the greater Atlanta metropolitan area, GGC provides a student centered, technology-enriched learning environment. Gwinnett County (pop. 850,000+) is home to a variety of businesses, including organizations involved in health care, education and information technology.

The School of Business offers undergraduate degree and currently serves approximately 2,500 students; this number is expected to grow substantially.

In anticipation of increases in enrollment for the 2015-2016 academic year, GGC invites candidates for faculty positions in Management Information Systems & Decision Sciences to teach undergraduate courses in following areas of interest: MIS, Operations Management, Project Management, Statistics, Telecommunications, Systems Analysis & Design. The position is flexible to accommodate other teaching and research interests. Georgia Gwinnett College emphasizes teaching and student engagement. In addition, candidates must have a commitment to research which leads to quality refereed publications. Service to the university and the profession is also expected. Business experience is preferred.

GGC seeks applications for assistant professor faculty positions to begin August 1, 2015. Applicants should hold the doctorate or appropriate terminal degree in their discipline before or within the semester of the start date. GGC is an institution that values and encourages innovative teaching. In addition to teaching, applicants are expected to actively participate in scholarly activities, extensive student engagement and to contribute in the area of service to the college and community. Advising and mentoring are expected of all faculty. In accordance with Board of Regents Policy governing GGC faculty, successful applicants will be eligible to receive 5 or 3 year renewable appointments or one year traditional appointments may also be approved. For more information about our college, please visit our website at www.ggc.edu.

Salary
Commensurate with education and experience with excellent benefits.

Minimum
- Ph.D./D.B.A. degrees in Management Information Systems or related fields from AACSB-accredited schools, ABDs in advanced dissertation stages will be considered as well.
- Demonstrated potential for excellent teaching and research is required.

Due to the volume of applications, applicants may not receive a reply from the College unless an applicant is selected for an interview. Review of applications will continue until positions are filled. Hiring is contingent upon eligibility to work in the United States and proof of eligibility will be contemporaneously required upon acceptance of an employment offer. Any resulting employment offers are contingent upon successful completion of a background investigation, as determined by Georgia Gwinnett College in its sole discretion. Georgia Gwinnett College, a unit of the University System
of Georgia, is an Affirmative Action/Equal Opportunity employer and does not discriminate on the basis of race, color, gender, national origin, age, disability or religion. Georgia is an open records state.
