Position: The University of South Alabama Mitchell College of Business Department of Management invites applications for a visiting position to teach doctoral, graduate, and undergraduate courses in statistics and statistical methods beginning Fall, 2015. Applicants at all ranks will be considered.

Qualifications: ABD will be considered, but preference will be given to applicants with a Ph.D. in Information Systems, Decision Sciences, Statistics, Quantitative Analysis or Economics. Qualifications should include:

- Evidence of a strong research record commensurate with the rank.
- Research and teaching interests related to areas such as Structural Equation Modeling (SEM), multivariate analysis, time series, research methods, design, and an interest in professional service.
- Evidence of excellence in teaching and the ability to teach a variety of courses at the undergraduate, graduate, and doctoral levels.
- Must be legally authorized to work in the United States at the time of appointment and continue working legally for the term of employment.
- Must have excellent organizational and communication skills.

Applicants must submit a letter of application, current curriculum vita, and names (with phone numbers) of three references to Dr. Bill Gillis, Associate Professor, Mitchell College of Business, 5811 USA Drive South, MCOB 341, Mobile, Alabama 36688. Electronic applications may be sent to gillis@southalabama.edu and copied to cdwilliams@southalabama.edu (Official transcripts and three original letters of reference (on letterhead with signatures are required before campus visit and prior to a one year appointment). Review of applications will begin immediately and continue until the position is filled.
