

*Decision Sciences Journal of
Innovation and Education*
Volume 5, 2007

The *Decision Sciences Journal of Innovative Education* is a peer-reviewed journal published by the Decision Sciences Institute. Its mission is to publish significant research relevant to teaching and learning issues in the decision sciences. The decision sciences is the union of the quantitative and behavioral approaches to managerial decision making, encompassing all of the functional areas of business, including (but not limited to) accounting, business strategy and entrepreneurship, economics, finance, international business and globalization, marketing, MIS/DSS and computer systems, organizational behavior/organizational design, operations and logistics management, quantitative methods and statistics.
